

Recreation Commission Report

August 6, 2013

- The Recreation Commission met with the committee of the whole. We proposed to leave the ordinance as is and create the position of Park Coordinator whom will accept request from village residents for use of the parks. The Park coordinator will then coordinate with appropriate sports organizations.
- The Recreation Commission has recommended to cancel the bid process for the playground equipment at Caesars Park. A new bid will be submitted in the coming months.
- The Mayor has asked the Recreation Commission to schedule a concert for the seniors to be held at the Recreation and Wellness Center. This event will be sponsored by Symphony of Crestwood.
